

Victoria Hospital
FOUNDATION
HEALTHIER FUTURES

Nicole is an experienced senior leader with a passion for supporting a thriving health system for all Manitobans. She has worked closely with partners from various sectors and levels of government, health, education, community and non-profit agencies. Nicole is proud to lead Victoria Hospital Foundation as it celebrates 50 years of advancing healthcare at Victoria Hospital and in our community.

Nicole has extensive experience in leadership within non-profit and public human services, particularly healthcare and mental health, with a Master of Social Work degree from the University of Manitoba specializing in administration. She has also completed two leadership focused Graduate Certificates with Royal Roads University.
