FOUNDATION
HEALTHIER FUTURES

A Journey of Transformation

We all have the capacity to transform. As individuals we grow and change over time as we pursue a life that reflects our personal values, hopes and dreams.

For those living with mental illness in our community, this journey can present unique challenges. Like a butterfly in a cocoon, it can be difficult to find light and beauty amidst the darkness. But inside the cocoon, a transformation is occurring. The butterfly summons the strength from within to emerge, and the majestic Monarch is free to soar under the warmth of the sun.

There are hundreds of thousands of Manitobans on a journey toward recovery and wellness – and with your support, they can get the vital treatment and resources they need when they need it most.

As a Centre of Excellence for Mental Health, Victoria Hospital provides help and hope to patients and families experiencing mental health concerns; where an expert team of top mental health professionals give patients the tools they need at every stage of their recovery to overcome obstacles and live their best lives – just like the butterfly.

Delight Your Guests with Miracles of Joy & Happiness

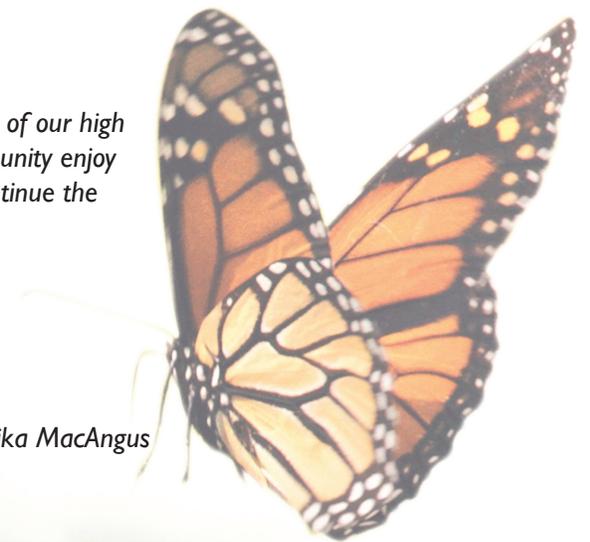

Join us in The Vic's award-winning Miracle Garden as our community comes together to improve the lives of those on a journey toward mental well-being. You and your guests will enjoy an exclusive specialty menu from Chef Mandel Hitzer (deer+almond) and Sachit Mehra (East India Company). Enter our raffle for a chance to win executive-level prizes that will have winners boasting!

And, Transform Lives!

The journey to mental wellness starts with a gift of kindness. By choosing one of our high value sponsorship opportunities on the next page, you'll be helping our community enjoy a happier, healthier future that includes mental wellness. Together, we can continue the conversation and make a real difference.

Secure your sponsorship online today at TheVicFoundation.ca, by e-mail at events@vgh.mb.ca or phone 204-477-3168.

Sincerely,
Glen & Monika MacAngus
Co-Chairs

Your gift will create
thousands of real-life
miracles.

A smile.
A laugh.
A return
to happiness.

These are the actual, life-changing
mental wellness miracles you can
grow by supporting our Miracle
Garden Party. It's a wonderful goal.

On behalf of the thousands of individuals in our
community who will benefit from exceptional
compassionate mental healthcare at the Victoria
Hospital, we thank you. Every dollar you give will
support the best possible care at The Vic.
